6 Fisher German are absolutely committed to recruiting the best people. As part of this, we recognise the importance of offering work experience to enable better understanding of the profession through practical on-the-job experience. Therefore, we have developed an insight programme specifically for non-cognate graduates who are interested in obtaining a greater understanding of the profession. The two-week long placement will feature talks from a variety of FG specialists and you will be assigned a 'buddy' and given various project work relating to the key sectors of our business. We would be delighted for you to come and join us'.
